General Information

Objectives

The Short Course in Caring for the Mental Health User for Care Workers consists of three modules, namely Module 1 (Practicing Care in a Psychiatric Environment), Module 2 (Psychopathology) and Module 3 (Legal-Ethical and Theoretical Aspects of Caring for the Mental Health User).

Note that these modules *do not* need to be completed in any specific order.

Upon successful completion of all three modules, learners will receive a certificate of completion for the Short Course in Caring for the Mental Health User for Care Workers.

Audience

Qualified care workers
