General Information

Objectives

The Short Course in Mental Health Nursing for Registered Nurses consists of three modules, namely Module 1 (Psychiatric Nursing Methods and Skills), Module 2 (Psychopathology) and Module 3 (Legal-Ethical and Theoretical Aspects of Mental Health Nursing).

Note that these modules *do not* need to be completed in any specific order.

Upon successful completion of all three modules, learners will receive a certificate of completion for the Short Course in Mental Health Nursing for Registered Nurses.

Audience

Registered nurses
