

VISTA ACADEMY

A division of Vista Clinic

Continuing Professional Development 2019 Seminar Programme

Objectives

Continuing professional development (CPD) is a platform whereby members of professional associations maintain, improve and enhance their knowledge, skills and ethics. 2019 will be Vista Clinic's 22nd year of presenting our CPD programme.

Continuing Education Units [CEUs/CPDs]

All the seminars for 2019 will be registered with both HPCSA and SACSSP.

Audience

Approved target audience will vary depending on topic. May include: psychologists, psychometrists, social workers and registered counsellors. Associated professionals registered with the HPCSA (e.g. occupational therapists and medical doctors) may attend and be awarded CEUs (continuing education units) on grounds of cross accreditation, if the content is relevant to their scope of practice. Pastoral counsellors and all other professionals in the mental health profession, including nurses, students and the academia may attend, however CPD points are not specifically applied for with these boards. Presenters and attendees of CPD activities must please note that the attainment of CEUs does not licence any professional to practice outside their scope of practice. CEUs are intended to broaden the knowledge of professionals and do not constitute professional training.

Hierarchy of learning

All seminars for 2019 fall within level 1.

Venue

The Centurion Hotel
1001 Lenchen Avenue North
Centurion

GPS S25° 51.419'
E028° 11.451'
